1. Purpose

This policy sets out the public holidays observed by Nimbus Technologies and the rules for optional holidays and work on holidays.

2. Public Holidays

The company observes 10 fixed public holidays in each calendar year. The list of fixed holidays is published by HR in the HR portal before 15 December of the previous year.

Fixed holidays include Republic Day (26 January), Independence Day (15 August) and Gandhi Jayanti (2 October). The remaining fixed holidays are decided by location.

3. Optional Holidays

In addition to fixed holidays, every employee may choose 2 optional holidays per calendar year from the optional holiday list.

Optional holidays must be applied for in the HR portal at least 7 calendar days in advance. Unused optional holidays lapse on 31 December and cannot be carried forward or encashed.

4. Working on a Holiday

An employee who is asked by their reporting manager to work on a fixed public holiday receives one compensatory off day for each holiday worked.

The compensatory off must be taken within 30 days of the holiday worked, otherwise it lapses. Compensatory off cannot be encashed.

5. Holidays During Leave

A fixed public holiday that falls during a period of earned leave is not counted as a day of leave. A fixed public holiday that falls during casual leave or sick leave is also not counted.
