1. Purpose and Scope

This policy sets out the types of leave available to employees of Nimbus Technologies, how leave is accrued, and how it is applied for and approved. It applies to all full-time employees on the company payroll in India.

Interns, consultants and contract staff are covered by the terms of their individual agreements and are not covered by this policy unless their agreement says otherwise.

2. Leave Year and Accrual

The leave year runs from 1 January to 31 December. Earned leave accrues monthly at 1.5 days for every completed month of service, giving 18 days over a full year.

Employees who join partway through the year receive casual and sick leave on a pro-rata basis, rounded down to the nearest half day. Leave does not accrue during unpaid leave or during the notice period.

3. Casual Leave

Every employee is entitled to 8 days of casual leave per leave year. Casual leave is meant for short personal needs and can be taken in half-day or full-day units.

No more than 3 consecutive days of casual leave may be taken at one time. Casual leave cannot be combined with earned leave in the same continuous absence.

Unused casual leave lapses on 31 December and is not carried forward or encashed.

4. Sick Leave

Every employee is entitled to 10 days of paid sick leave per leave year. Sick leave of up to 2 consecutive days can be taken without supporting documents.

For an absence of 3 or more consecutive days, the employee must submit a medical certificate from a registered medical practitioner within 7 days of returning to work.

Up to 5 days of unused sick leave may be carried forward into the next leave year, subject to a maximum balance of 20 days.

5. Earned Leave

Earned leave is available after completing 6 months of continuous service. It is intended for planned holidays and longer personal absences.

Earned leave must be applied for at least 14 calendar days in advance. A minimum of 2 days must be taken per application.

Up to 30 days of unused earned leave may be carried forward into the next leave year. Any balance above 30 days lapses on 31 December.

6. Leave Encashment

Unused earned leave can be encashed only at the time of resignation or retirement, up to a maximum of 30 days.

Encashment is calculated as (monthly basic salary / 30) multiplied by the number of eligible earned leave days. Casual and sick leave cannot be encashed.

7. Maternity Leave

Female employees who have worked for at least 80 days in the 12 months before the expected date of delivery are entitled to 26 weeks of paid maternity leave for each of their first two children.

For a third or later child, maternity leave is 12 weeks. An employee who legally adopts a child below 3 months of age is entitled to 12 weeks of paid leave from the date of adoption.

8. Paternity Leave

Male employees are entitled to 10 working days of paid paternity leave, to be taken within 3 months of the birth or adoption of a child. Paternity leave can be taken in up to two blocks.

9. Bereavement Leave

Employees are entitled to 5 working days of paid bereavement leave on the death of an immediate family member, defined as spouse, child, parent, sibling or parent-in-law.

Bereavement leave does not count against casual, sick or earned leave balances.

10. Applying for Leave

All leave must be applied for through the HR portal. The reporting manager approves or rejects the request within 2 working days. Requests not acted on within this time are escalated to the HR business partner.

Unplanned absence must be informed to the reporting manager by 10:00 AM on the day of absence. Absence without approval for 3 or more consecutive days may be treated as unauthorised absence.
